

January 20, 2022

Dear Colleague,

Mid-winter greetings during these fraught times.

After a two-year hiatus occasioned by the global health crisis, we are moving forward with plans to hold the 51st annual meeting of the Husserl Circle May 31-June 2022, convened by Michele Averchi at The Catholic University in Washington, DC. Please consult his attached letter for relevant details about the meeting and lodging information.

Annual Call for Dues: The Husserl Circle Bylaws stipulate that members' dues must be in good standing through 2020 (due to the pandemic, the 2021 call for dues was suspended) to be eligible to be considered for inclusion on the 2022 program.

You may renew your Husserl Circle dues with your credit card. To do so, go to www.husserlcircle.org, click on the "Dues" link and follow the simple instructions. Checks should be mailed to the address below.

Best regards,

Burt C. Hopkins
Permanent Secretary
